High Above a Pi Phi's Garter

High above a Pi Phi's garter

High above her knee

Lies the pride of Pi Phi passion

Her virginity!

Raise her skirt a little higher

Lay her in the grass

All I live and all I die for

Is a piece of "Pi Phi Ass!"

I Love My Girl

I love my girl

Yes, I do, Yes, I do

I love her truly.

I love the hole she pisses through

I love her ruby red lips and her pearly white tits, and the
hair around her ass hole

I'd eat her shit, WOOF, WOOF, WOOF, WOOF, if she asked me to.

Colombo
(parody All Night Long)

In fourteen hundred and ninety-two Colombo from Italia
He hung around every street in town and shit in every alley
All night long from midnight on.

Colombo went to the queen of Spain to ask for ships and cargo
She said, "I'll have your Dago ass if you don't bring back
Chicago."

All night long from midnight on.

For forty days and forty nights they sailed that cold Atlantic
Without a piece of ass in sight the crew damn near went frantic
All night long from midnight on.

A mermaid hopped aboard the deck, Columbo did pursue her
That whitey egg rolled down his leg, that son-of-a-bitch had
screwed her

All night long from midnight on.

Oh cabin boy, oh cabin boy, he really was a ripper
He lined his ass with broken glass and circumcised the skipper
All night long from midnight on.

They spotted the shore, they spotted a whore, off came the
shirts and collars

017

In twenty minutes by the clock of time, that whore made a
million dollars

All night long from midnight on.

Oh Colombo was a family man, every man his brother

He screwed his sister, ate his mother, 69'd his brother

All night long from midnight on.

Ten Pounds of Booby

Ten pounds of booby in a loose brassiere

A twat that twitches like a moose's ear

Ejaculation in my bottle of beer

These things remind me of you.

A toothless blow-job in a taxicab

A hard-on penis with a syphilis scab

A bloody fetus on a marble slab

These things remind me of you.

A Trojan rubber with a nipple tip

A syphilis scab upon my lower lip

A bloody scrotum in my onion dip

These things remind me of you.

Wild West Show

Oh come to the Wild West Show
See the elephants and kangaroos
No matter what the weather
We'll always be together.

At the Wild West Show there is an animal called a giraffe!
A giraffe? What the fuck is a giraffe?
A giraffe is the only animal that can walk into a bar and say,
"High balls on me!"

Oh come to the Wild West Show
See the elephants and kangaroos
No matter what the weather
We'll always be together.

At the Wild West Show there is an animal called an orangatuan!
An orangatuan? What the fuck is an orangatuan?
An orangatuan is an animal which has one ball of brass and the
other of steel

And when he swings through the trees he goes
O-rang-a-tang!

Ballad of Casey Jones

Casey Jones was a son of a bitch
Drove his train in a whore house ditch
Came out with his cock in his hand
Swore he was a fuckin' man.

One hundred girls lined up against the wall
Casey swore he could fuck them all
He fucked ninety-eight until his balls turned blue
Backed off, jacked off, and fucked the other two.

Indian Maid

There once was an Indian maid who said she wanted to play
So they took her back to the little grass shack where all the
cowboys played
Much to her surprise her tummy began to rise
And out of her cunt came a bald face runt with his ass hole
between his eyes.

Where cock suckers flourish and maidens go low

The First Time I Seen Her

The first time I seen her standing in the door

I knew she was a god damn whore.

The second time I seen her sitting on a hill

Shaking her knockers for ol' Buffalo Bill.

The third time I seen her sittin' in jail

Screwing herself with an old rusty nail.

The fourth time I seen her I haven't seen her since

She was jacking off a nigger through a barbed wire fence.

Went Downtown To See My Lady

Went downtown to see my lady
Nobody's home but Skinny and the baby
Skinny was drunk and I was sober
Skinny let a fart and knocked me over
Went downstairs to get some cider
Saw a bedbug jackin' off a spider
Went upstairs to get some gin
There they were doin' it again
Went upstairs to make up the bed
Fell in a shitpot over my head
Couldn't swim, couldn't float
Big brown turd went down my throat.

Went Downtown to buy a Penny Drum

Went downtown to buy a penny drum
Knocked on the door and nobody come
Picked up a rock, threw it thru the glass
Along came a monkey, slidin' on his ass
Monkey shit an elephant, elephant shit a flea
The flea shit a sailor, sailin' on the sea
The sea began to roar and shit began to pour
The sailor had his pants full before he got to shore.
